

GIPS BRIEFING NOTE

# What must a GIPS Composite Report disclose about fees?

2020 GIPS standards · firms

---

## 01 Answer

### SHORT ANSWER

Disclose the fee schedule (4.C.11) and label returns gross or net (4.A.3) **S1**.

A GIPS Composite Report must disclose the fee schedule appropriate to the report's prospective client (4.C.11) and state whether returns are gross or net of fees, with what fees were deducted.

## 02 Requirements

| REQUIREMENT          | PROVISION | APPLIES TO        | NOTES                                 |
|----------------------|-----------|-------------------|---------------------------------------|
| Current fee schedule | 4.C.11    | Composite reports | Appropriate to the prospective client |
| Gross/net labelling  | 4.A.3     | All reports       | Label every return series             |

## 03 Practical implications

- Ask for the fee schedule if the report omits it.
